CERTIFICATE

This is to Certify that the **Herboliv+** tested by the Forest College and Research Institute, Mettupalayam funded under the Private Agency Scheme (**Provimi Products Pvt. Ltd**) was found to be an antifeedant to both wild and domestic animals.

The studies also revealed that there was a significant increase in the Microbial population (Bacteria, Fungi and Actinomycetes) in the three experimental fields viz., Banana, Sugarcane and Fodder grass when this **Herboliv+** was sprayed on these plants.
